Died of pneumonia, little Mable Fern Cunningham, daughter of Mr. and Mrs. Geo. E. Cunningham (nee Emma Fippes) of near Liberty Kan. at 3 o'clock p. m., March 3, 1903 age 3 weeks and 3 days. Our precious darling was sick but a few days, and God called her home, where she will know no more suffering, she is safe in the arms of Jesus. The little one had all done for her that human hands could do, but the divine hand interceded and took her to her heavenly home where she will ever be waiting and watching for papa and mamma. Dear bereft, you weep not as those who have no hope, for it was He who said, "Suffer little children to come unto me and forbid them not for of such is the Kingdom of Heaven." After funeral services the little body was laid to rest in Liberty cemetery. M. F.

Marvelous Escape from Death!

PAINE'S CELERY COMPOUND

Does a Wondrous Work for a Lady Who Was Almost Crazy with Pain and Suffering.

It is well known that terrible rheumatism, sciatica, and neuralgia cause more helplessness, acute suffering, and agony, than any of the other diseases that afflict humanity. The great medicinal virtues of Paine's Celery Compound make it the only trustworthy specific for the cure of all forms of rheumatism and neuralgia. Thousands of strong testimonial letters from the most prominent people of the land, prove that Paine's Celery Compound has banished these terribly fatal troubles when all other treatment has failed. Mrs. Margaret Bethel, of Brainerd, Minn., after thirty years of agonizing tortures had a desire to end her life, if it was the will of Heaven; she almost prayed for the time to lay it down. Heaven-directed, she made use of Paine's Celery Compound, and is enjoying true life once more. She says:—

"For thirty years I have been a great sufferer from neuralgia in the head, and also with rheumatism in the whole body. I began taking Paine's Celery Compound and soon found I was much better. Before taking the Compound, my life was such a burden that I almost prayed to lay it down. I was bedridden every two weeks with horrible pain in the head, back, and neck, until I was almost crazed. I am able to do harder work and more of it today than for twenty-five years. I am really enjoying life again, thanks to Paine's Celery Compound. I am satisfied that my life has been prolonged many years by its use."
